Robin opened the meeting at 8:31 and requested review of the May 22<sup>nd</sup> minutes. Rob Ladoczky made motion to approve the minutes and JoJo Sturm seconded the motion.

Robin reviewed the status of the Safe Routes to School Safe Kids Grant for English Estates noting the following:

- Met with Alexis from S. Florida Safe Kids and Kristen with DC Safe Kids and it went very well.
- Fausnight has the LOGO for road runner.
- Shad installed truncated domes
- Traffic Engineering has taken care of signage
- SCPS is going to fix signage on school property
- JoJo has forwarded e-mail to Robin regarding bench location
- Florida Safety Council has funds allotted for taking Orange County children to the Safety Village. They are willing to consider some of the Seminole County kids. SCPS is helping Robin with the numbers and she will be working on transportation.
- Have form to update.
- Advised JoJo to let her know if she is interested in participating.

**Fatality Review:**

It was advised that there was a pedestrian fatality at Neil Road and Floral. Mike has not received report.

**New Business:**

Robin introduced Brad Kuhn, Director of Bike/Walk Central Florida. Mr. Kuhn introduced the CTST, through a presentation, to the Bike/Walk Central Florida, which is a pedestrian/driver safety initiative. Mr. Kuhn indicated he wanted to have Seminole County familiar with and supportive of the initiative in advance of rolling the program out in this County.

Robin advised of Steve Thiebauth's upcoming retirement and circulated card for CTST members to sign.

**Roadway Safety Assessment:**

Colleen advised they will need to review Aloma and Slavia Trail crossing. There have been 3 bike/ped crashes crossing Slavia.

**Problems & Solutions:**

- Fence repair on I-4 near Cranes Roost Park (SR 436) – Has been given to Jim Woods. Robin requested Mike do follow up with Jim.
- I-4 & 46A, EB exit – sent to DOT. After a brief discussion, Robin requested review by RSA due to mentioned blind spot looking west.
- I-4 and Douglas – drivers are not yielding as there is no yield sign.
- Palm Springs – has been sent to consultant – Shad indicated Engineering is putting back what was already there. This can be closed.
- SR 436 and Red Bug – “no right turn” sign is missing since construction started and needs to be back in place.

Robin advised there is another car seat education class for public service employees scheduled for Thursday.

**Fourth of July Events:**

- Winter Springs is meeting this morning.
- Red, Hot and Boom – operation plan and assignments have been sent out. Briefing is at 5:30 on Wednesday at AMC, Theater 5. Event is Tuesday, July 3<sup>rd</sup>.
- Sanford’s event is on July 4<sup>th</sup> and FOP is cooking. Briefing will be at 3:30 at City Hall.
- Oviedo’s event will be July 4<sup>th</sup> at the Oviedo Mall. Roads will be closed around 2:00 p.m. with briefing at 5:30.

Joe indicated that Lifesavers event was awesome. Thanked DOT HNTB for their assistance with the bus wrap focusing on pedestrian safety. They have purchased a portable photo booth that can be used for any event, which they should have in a couple weeks. Robin discussed the Lifesaver’s event, advising that DOT did an excellent job and the location was nice. Next year’s conference will be in Denver.

Cheryl noted change in the D5 Safety Advisor: Impaired Driving Campaign is June 24<sup>th</sup> – July 6<sup>th</sup>. Back To School and Red Light Running Campaign is August 5<sup>th</sup> – August 11<sup>th</sup>.

Tung Lung advised that MetroPlan Orlando has completed the migration, up to 2011, of the crash data. There is a webinar training scheduled for this afternoon and anyone wishing to participate should provide him with their e-mail in order for him to forward instructions.

There being no further discussion, meeting was adjourned.
